

Birdman

Gucci Mane

(Hook)

In East Atlanta I'm Birdman

In East Atlanta I'm Birdman

In East Atlanta I'm Birdman

Ain't got money like Birdman but in East Atlanta I'm Birdman

Birdman, B-B-Birdman

B-B-Birdman, Bird Bird

Ain't got money like Birdman but in East Atlanta I'm Birdman(Verse)

I keep a stupid bank roll, yea a big bank roll

And I keep going to the club to see the same hoes

I can kick with no niggas got no Twitter nigga

You showin bags on Instagram you's a stupid nigga

I got convictions and equitals, I'm a lucky ass nigga

I beat a murder same year, became a millionaire nigga

And you can't tell me bout something really cuz you ain't livin there nigga

And I refuse to be a bitch, I don't need no nigga approval

And now it's Choppin City Volume II

B G nigga all on you

Got shooters shootin, I'll shoot some too

You know where the fool niggas in my crew

These young niggas are hurt man

Murkin niggas on my word man

Ain't got money like Birdman but in East Atlanta I'm Birdman(Hook)

In East Atlanta I'm Birdman

In East Atlanta I'm Birdman

In East Atlanta I'm Birdman

Ain't got money like Birdman but in East Atlanta I'm Birdman

Birdman, B-B-Birdman

B-B-Birdman, Bird Bird

Ain't got money like Birdman but in East Atlanta I'm Birdman(Verse)

Pistol to yo motherfuckin head, you a dead man

Spray it over bed til they put me in the feds man

It's Gucci and the crazy young nigga with the dreads man

And we smoke cuz we stay high like Method Man and Redman

Man these farmers growing weed just like tomatoes and eggplants

Glasscutter in my pocket, tryna open up yo chest man

If you leave after these 50 shots you a blessed man

I'm not a rapper, I'm a ordinary nigga from the Cresh man

I got a extraordinary cook game in the kitchen

Diss me and put me in a awkward position
Green dot a nigga, make em kill him in the prison
Disrespect Brick Squad a very bad decision
