Control (Weird Science Remix)

Metro Station

Another cigarette
And I'm so bored
Your words aren't making senseI was taken
But you were waiting
One more drink
And I'm convincedNot one more sound
Let your hair down
Take the low road
No one will knowWhoa, I feel just like we're taking control
Of the night
Whoa, I feel just like we're losing control
But if you let go then I'll let go tonightAnother minute lived
If you take me
I'll take what you will giveI was late and
She kept waiting
But I hope she knows where I've beennot one more sound
Let your hair down
Take the low road
No one will knowWhoa, I feel just like we're taking control
Of the night
Whoa, I feel just like we're losing control
But if you let go then I'll let go tonightI'm coming down
Bring me up
Take it off
Let's just touchWhoa, I feel just like we're taking control
Of the night
Whoa, I feel just like we're losing control
But if you let go then I'll let go tonight
