

The Communicator

Madness

I, I am the communicator
I said I, I am the communicator
And I go yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Unconditional love nothing but reconciliation
Standing room now only for the madness nation
Gotta get a tickle on a ticket for the grand slam station
All aboard for the madness nation
I said I, I am the communicator
I said I, I am the communicator
And I go yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Let me tell you how I feel
I feel I'm scarred for life
Yeah I, I am the communicator
I said I, I am the communicator
And I go yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya
Yedee yedee yedee ya ya ya ya
Oh, yesterday was history, tomorrow is a mystery
Today is a gift that's why we call it the present
All aboard aboard back of the big blue train relations
Standing room now only for the madness nation
I said I, I am the communicator
I said I, I am the communicator
Come on I, I am the communicator
Oh yeah I, I am the communicator
Let me tell you how I feel
I feel I'm scarred for life
