I Believe

Steve Perry

If you feel love's an illusion
I won't hold you down
Do you feel lost in confusion
No hope to be foundStop before you start believin'
That all our hope is gone
'Cause I know that there's a reason
Why we're holdin' onAnd when you walked into my life I realized
Oh no one else took me by surprise(I believe)
I believe you
(Want it too)
Oh you want it
(You'll know the way)
Know the way
Yes the way I feel and I care
(Someday)
Oh yes I care
(Know the truth)
I believe
(I believe)
I believe in me and you
YeahIt's a strange situation
We can work it out
With love's blind determination
There can be no doubtWell I know that there's a solution
Right here in our hands
Then the lonely, lonely hours we've wasted
Won't be back againAnd when you walked into my life I realized
Oh no one else took me by surpriseI believe
(I believe)
I believe you
(Want it too)
Oh you want it
(You'll know the way)
Know the way
Yes the way I feel and I care
(Someday)
Oh yes I care
(Know the truth)
I believe

(I believe)
I believe in me and you
YeahWhoa, I believe
(I believe)
I believe you
(Want it too)
Oh you want it
(You'll know the way)
Know the way
Yes the way I feel and I care
(Someday)
Oh someday you'll know
(Know the truth)
Know the truth
(I believe)
I believe in me and youBelieve it
Believe, believe it
Believe it
Believe it, believe it, believe it
OohBelieve it
Believe it, believe it
Believe it
Believe it, believe it, believe it
OohBelieve it, believe it
Believe it, believe it, believe it
Believe it, believe it, believe it
Ooh
