Natural Animal

Echobelly

In and out of prison
Sitting in a pit of a cell
Lick the blood of the wall
Razor blade love letter hellSo, you left me there
Didnt care that theyd break down the door
Were you really late
Did you run away, left me to be caughtWhere are you now?
Where are you now?
Youre supposed to be a friend of mine
Youre supposed to be a friend of mine, ohhIn and out of trouble
Pushed in a school full of fools
Im a natural animal
Bent by the rulesYou know what Ive done
Its in everyone, lurking in the cold
And you taught me all that Ive ever known
Why let me go?Where are you now?
Where are you now?
Youre supposed to be a friend of mine
Youre supposed to be a friend of mine, ohhYou're a li-li-lifeSave [Incomprehensible] my own
Save [Incomprehensible] my ownWhere are you now?
Where are you now?
Where are you now?
Where are you now?Li-li-life
You're a li-li-life
