

# 5000 Ways to Die

## Nerf Herder

There must be 5000 ways to die  
And each one ends the same way if you try  
Your friends all stand around while they dump you in the ground  
And the people who loved you will ask why, oh why, oh why, oh why  
And the bastard you hated the most  
Will stand up and give you a toast  
He'll say, "We were such good friends especially near the end"  
Then he'll feel up your girlfriend in front of your ghost  
So get in your car and drive real fast  
Up in the attic with a shotgun blast  
Take a bath with a clock radio  
Vodka and Valium overdose  
Have you ever tried?  
There must be 5000 ways to die  
And if you're very lucky  
You'll get your picture in the paper on page three  
25 words will summarize how you spent your whole damn life  
One day on that page, next day into the hamster cage, cage
