

Desaparecido

Phil Manzanera

There is a tango in Buenos Aires
About a thief from Tucum n
Played his cards wrong ending losing
And now he's somewhere out there
On the run He disappeared in '97
The papers noticed that he'd gone
Broke the hearts of those around him
Should have finished it with a gun Desaparecido
 nde est s? Truth can be stranger than fiction
And if you see him pass on by
But tell him he's a traicionero
Can a brother's love survive
Desaparecido
 nde est s? I see red
Lights flashing in the sky I see red
Flags flying
Along a railway track
I see red
Colors
In my every thought
I see red
Lies
From a crooked mouth Truth can be stranger than fiction
And if you see him pass on by
Tell him he's a traicionero
But can a brother's love survive
Desaparecido
 nde est s? I see red
Lights flashing in the sky I see red
Flags flying
Along a railway track
I see red
Colors
In my every thought
I see red
Lies
From a crooked mouth
From a crooked mouth I see red
I see red

I see red

I see red
