Under The Gun

Conjure One

I keep my cool for one more day
Laugh along enough to keep getting paid
I'm losing my hold on hope
Is this your idea of a joke?I just keep talking to myself
Wondering to myself
What have I done, what have I done?
Under the moon that follows me
Someone watches me,
Under the sun, under the gunI've been down but never out
I can't see what you're so happy about
Losing is not what I wanted
All is not lost, but now it's hauntedI just keep talking to myself
Wondering to myself
What have I done, what have I done?
Under the moon that follows me
Someone watches me,
Under the sun, under the gunI just keep talking to myself
Wondering to myself
What have I done, what have I done?
Under the moon that follows me
Someone watches me,
Under the sun, under the gunI just keep talking to myself
Wondering to myself
What have I done, what have I done?
Under the moon that follows me
Someone watches me,
Under the sun, I'm under the gun
