

# Echo Park (Orleans, l'Astrolabe 21.11.2002)

Joseph Arthur

Walkin' with you down through Echo Park  
The ghosts fillin' the trees  
The fire never understands the spark  
The way it is with you and me  
Freedom  
Our love won't fade away  
Freedom  
Freedom  
Our love it won't fade away  
The children runnin' through the greenest field  
A lot of love pourin' down  
And only you and I know how it feels  
When no one else is around  
Freedom  
Freedom  
Our love won't fade away  
Freedom  
Freedom  
Our love it won't fade away  
Freedom  
Freedom  
Our love won't fade away  
Freedom  
Freedom  
Our love it won't fade away  
Walkin' with you down from Echo Park  
The ghosts fillin' the trees  
The fire never understands the spark  
The way it is with you and me
