

# Angel Eyes (Dee Jay Silver Remix)

## Love and Theft

She likes whiskey with her water  
She starts dancing when the stars come out  
She ain't your typical preacher's daughter  
She'll leave you dreamin' yeah ain't no doubt There's a little bit of devil in her angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
A little bit of devil in her angel eyes Saturday night she's rockin' out by the bonfire  
Foot hangin' from that tail gate and crankin' up the dial  
Come Sunday mornin' she'll be singing with the choir  
Drivin' me crazy with that kiss me smile There's a little bit of devil in her angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
There's a little bit of devil in her angel eyes I can't stop wonderin' what it would feel like, to hold her all night  
She's got that something, that sexy innocence, she must be heaven sent There's a little bit of devil in her angel  
eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes There's a little bit of devil in those angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
There's a little bit of devil in her  
In those angel, in those angel eyes
