

# Big Empty

## Stone Temple Pilots

Drivin' faster in my car  
Fallin' farther from just what we are  
Smoke a cigarette and lie some more  
These conversations kill  
Fallin' faster in my car  
Time to take her home  
Her dizzy head is conscience laden  
Time to take a ride  
It leaves today no conversation  
Time to take her home  
Her dizzy head is conscience laden  
Time to wait too long  
To wait too long  
To wait too long  
Too much walkin', shoes worn thin  
Too much trippin' and my soul's worn thin  
Time to catch a ride it leaves today  
Her name is what it means  
Too much walkin', shoe's worn thin  
Time to take her home  
Her dizzy head is conscience laden  
Time to take a ride  
  
It leaves today no conversation  
Time to take her home  
Her dizzy head is conscience laden  
Time to wait too long  
To wait too long  
To wait too long  
Conversations kill  
Conversations kill  
Conversations kill  
Time to take her home  
Her dizzy head is conscience laden  
Time to take a ride  
It leaves today no conversation  
Time to take her home  
Her dizzy head is conscience laden  
Time to wait too long

To wait too long  
To wait too long  
Conversations kill  
Conversations kill  
Conversations kill
