Like a Star

Corinne Bailey Rae

Just like a star across my sky
Just like an angel off the page
You have appeared to my life
Feel like I'll never be the sameJust like a song in my heart
Just like oil on my hands
Honoured to love youStill I wonder why it is
I don't argue like this
With anyone but you
We do it all the time
Blowing out my mindYou've got this look I can't describe
You make me feel like I'm alive
When everything else is a fade
Without a doubt you're on my sideHeaven has been away too long
Can't find the words to write this song
Oh, your loveStill I wonder why it is
I don't argue like this
With anyone but you
We do it all the time
Blowing out my mindI have come to understand
The way it is, it's not a secret anymore
'Cause we've been through that before
From tonight I know that you're the only one
I've been confused and in the dark, now I understandI wonder why it is
I don't argue like this
With anyone but you
I wonder why it isI won't let my guard down
For anyone but you
We do it all the time
Blowing out my mindJust like a star across my sky
Just like an angel off the page
You have appeared to my life
Feel like I'll never be the same
Just like a song in my heart
Just like oil on my hands
