

# This Feeling

## Brooklyn Shanti

Hey, baby  
Come here for a minute  
I've got something to say  
It's coming from my heartm, baby  
From a real woman  
Listen up[Verse 1:]  
Say....  
I'mmmm not afraid  
To admit that I'm weak and I can't get enough of you  
Baby, Damn  
What you doing baby  
Are you trying to make it harder for the next man  
Making me feel like a woman should and its all good  
But ohhh, Lord  
Why you ever introduce me to such a feeling  
'cause I'm caught up  
And I got no shame put my pride aside forget the age  
Some woman they thinking that I'm all about me  
so glad you came along and made me believe  
'cause' its notabout love or making it feel real deep  
Sugar I thank you for making it reall for me this feeling.....I can't contain it  
It's more than love
