

I Take Drugs

Murderdolls

[Chorus]
I take drugs
I take drugs
I take drugs and you should too
[repeat]Every day in every way
I'm looking for a fix to make me feel okay
I need something to give me hope
Like an automatic weapon or an eight ball of coke[Chorus]I'm stressin' out I need it now
I need some fucking pills to bring me down
What's the crime if I snort a line
Toke, choke shoot it up all at the same time[Chorus]I need the drugs and they need me
Drug use is the only use for me
Just say no but I'm always sayin' yes
To the D are you G S[Chorus]
