

Rabbits

Street Drum Corps

See the light in the distance
Ten seconds from sleep
If you blink, you could miss it
 Voluntarily
If it's home that you're missing,
 Better call the police
 Hopelessly
 Lost at sea
 The holes we dig
 To survive
 Like rabbits we run

Gonna join the resistance
Gonna tighten their leash
Try and find some persistence
 Temporarily
If it's home that you're missing,
 Then rev up your speed
 Hopelessly
 Lost at sea
 The holes we dig
 To survive
 Like rabbits we run
 Like rabbits we run x4
