My Everything

Eddy Dyno

Sleigh bells ringing everywhere
I can feel the winter breeze up in the air,
and the,
peppermint chocolate by the fireplace,
just so I could feel your warmth pressed against my face, I,
Don't remember my life before you,
Love was just a silly little game for fools and now I,
See everything through the eyes of two,
And I wouldn't change a thing; I wouldn't change a thing

Cause I'm living, living my dream come true
Everyday with you I fall deeper in love;
And I know that we were meant to be,
Cause you were meant for me and I for you, cause you're my everything I'll;

Buy you flowers on a sunny day,
Cuddle on a cold day, kiss you in the rain, yeah.
When you're feeling under the weather, I'll make you feel better, whatever you need, darling.
Massage your feet when they hurt, to me you're beautiful even when you're at your worst, angel.
Cause your worst is still better, than any other girl in this world at their best, and I;

Don't remember my life before you,
Love was just a silly little game for fools and now I,
See everything through the eyes of two,
And I wouldn't change a thing; I wouldn't change a thing

Cause I'm living, living my dream come true
Everyday with you I fall deeper in love;
And I know that we were meant to be,
Cause you were meant for me and I for you, cause you're my everything love.
