

Built For Comfort

Howlin' Wolf

Some folk built like this, some folk built like that
But the way I'm built, a-don't you call me fat
Because I'm built for comfort, I ain't built for speed
But I got everything all the good girls need Some folk rip and roar, some folk b'lieve in signs
But if you want me, baby, you got to take your time
Because I'm built for comfort, I ain't built for speed
But I got everything all the good girls need I ain't got no diamonds, I ain't got no gold
But I do got love to satisfy your soul
Because I'm built for comfort, I ain't built for speed
But I got everything, all you good women need
