Elastic Heart

The Hunger Games

And another one bites the dust
But why can I not conquer love?
And I might've got to be with one
Why not fight this war without weapons
And I want it and I want everything
But there was so many red flags
Now another one bites the dust
And let's be clear, I trust no oneYou cannot break me
I'm still fighting for thisWell I've got a thick skin and an elastic heart
But yours baby might get too sharp
I'm like the weather burning, baby I'm too hard
But I missed him and I move closeBut you won't see me move no more
'Cause I've got an elastic heart
I've got an elastic heart
Yea, I've got an elastic heartAnd now I step through the night
Let's be clear, won't close my eyes
And I know that I can't survive
I walked too far to save my life
And I want it, I want my life so bad
I'm doing everything I can
Then another one bites the dust
It's hard to lose a chosen oneYou cannot break me
I'm still fighting for thisWell I've got a thick skin and an elastic heart
But yours baby might get too sharp
I'm like the weather burning, baby I'm too hard
But I missed him and I move close
But you won't see me move no more
'Cause I've got an elastic heartWell I've got a thick skin and an elastic heart
But yours baby might get too sharp
I'm like the weather burning, baby I'm too hard
But I missed him and I move closeBut you won't see me move no more
'Cause I've got an elastic heart
You won't see me move no more
'Cause I've got an elastic heartI've got an elastic heart
