

# Eternal Circle

**Bob Dylan**

I sung the song slowly as she stood in the shadows  
She stepped to the light as my silver strings spun  
She called with her eyes to the tune I was a playin'  
But the song it was long and I'd only begun  
Through a bullet of light her face was reflectin'  
The fast fading words that rolled from my tongue  
With a long-distance look her eyes was on fire  
But the song it was long and there was more to be sung  
My eyes danced a circle across her clear outline  
With her head tilted sideways she called me again  
As the tune drifted out she breathed hard through the echo  
But the song it was long and it was far to the end  
I glanced at my guitar and played it pretendin'  
That of all the eyes out there I could see none  
As her thoughts pounded hard like the pierce of an arrow  
But the song it was long and it had to get done
