

# Unbreakable (feat. Miracle)

## Faydee

{Don't tell me I'm not good enough}[Verse 1]

Times like this,

I wish I've never existed

Nobody wants to listen

I'm screaming out for help

Times like this:

I wish that I could let go

And open up a window

Free to be my self[Bridge]

Then there's you

standing over me

Tryna make a fool of me

tryna get the best of me (Ohhh)

Then there's you

tryna shut me out

tryna kick me when I'm down

That ain't gonna stop me now (Nooo)[Hook]

How does it feel ? to know that I don't care at all

Your words don't mean a thing at all

I choose to rise, you choose to fall

How does it feel ? to know that I am capable of more than you will ever know![Chorus]

Don't tell me I'm not good enough (ohhho)

Don't you bring me down (Ohhho)

I'm moving on (Ohhho)

And you're over now (Ohhho)

You gave me fire (Ohhho)

Every time you came around (Ohhho)

My feet are steady on the ground (Ohhho)

You won't knock me down, No more (No moooore x4)

Now I'm unbreakable (No moooooore x4) Now I'm unbreakable. {by\*\*Jez\*\*}[Verse 2]

Times like this:

I'm picking up the pieces

I'm making up the reasons

Not to tell a soul

Times like this:

I'd rather speak to no one

I just wanna move on

And stand up on my own[Bridge]

Then there's you

standing over me  
Tryna make a fool of me  
tryna get the best of me (Ohhh)

I remember getting teased as a kid  
Cause at the place that we lived  
We never had it easy, believe me  
But that dont excuse the things that we did  
Couldnt accept that I was never accepted  
Had so many tears like I fell in depression  
But if I changed I wouldnt get caught nays  
But it was all the same, I was feeling rejected  
Putting someone down is a low blow  
Was goes around comes around like a yoyo  
Wish that I could stop time like a photo  
But we stand strong, bounce back like a pogo[Chorus]  
Don't tell me I'm not good enough (ohhho)  
Don't you bring me down (Ohhho)  
I'm moving on (Ohhho)  
And you're over now (Ohhho)  
You gave me fire (Ohhho)  
Every time you came around (Ohhho)  
My feet are steady on the ground (Ohhho)  
You won't knock me down, No more (No moooore x4)  
Now I'm unbreakable (No moooore x4) Now I'm unbreakable.
