

# A Drop In The Ocean

Ron Pope

A drop in the ocean  
A change in the weather  
I was prayin that you and me might end up together  
It's like wishing for rain as I stand in the desert  
But im holding you closer than most  
Cause you are my heaven  
I don't want to waste the weekend  
If you don't love me,pretend a few more hours  
Then its time to go  
And as my train moves down the east coast  
I wonder how you keep warm  
It's too late to cry  
Too broken to move on  
And still I cant let you be  
Most nights I hardly sleep  
Dont take what you don't need from me  
It's just a drop in the ocean  
A change in the weather  
I was prayin that you and me might end up together  
It's like wishing for rain as I stand in the desert  
But I'm holding you closer than most  
Cause you are my heaven

Misplace trust in old friends

Never counting regrets  
By the grace of God, I do not rest at all  
And new England as the leaves change  
The last excuse that I'll claim  
I was a boy who loved a woman like a little girl

And still I cant let you be  
Most nights I hardly sleep  
Dont take what you don't need from me  
It's just a drop in the ocean  
A change in the weather  
I was prayin that you and me might end up together  
It's like wishing for rain as I stand in the desert  
But I'm holding you closer than most

Cause you are my... heaven doesn't seem far away anymore no no  
Heaven doesn't seem far away  
Heaven doesn't seem far away anymore no no  
Heaven doesn't seem far a way aaaoohww.....  
A drop in the ocean  
A change in the weather  
I was prayin that you and me might end up together  
It's like wishing for rain as I stand in the desert  
But im holding you closer than most, cause you are my heaven  
You are my heaven
