

We're All Dudes

Less Than Jake

It's time to put our times
Behind it all
The bad things off your mindHe's feeling good
She's feeling good
We're feeling good, yeahJust hanging out
Just having fun
We're number one
Just hanging out
Just having fun[Chorus: Repeat x2]
I'm a dude
He's a dude
She's a dude
We're all dudes, heyThere's nothing better than your friends
There's no problem you can't win
Someone who's always got your back
Not giving about this and thatJust hanging out
Just having fun
We're number one
Just hanging out
Just having fun[Chorus: Repeat x2]
It's all about meeting new faces
A smile is on your face and
You can't erase it
Partying on, it's going on
Partying on, to the break of dawnIt's time to put our times
Behind it all
The bad things off your mindJust hanging out
Just having fun
We're number one
Just hanging out
Just having funJust hanging out
Just having fun
We're number one"Uh, wait what are we doing now?
Uh, yo, we're breaking it down
Rock on dude, haha"[Chorus]
