

# Losing It

## Kutiman

all we ever did was move around  
i was always the new kid  
never the cool kid  
all i ever wanted to do  
was to fall in love  
just to be in love  
but my heart was racing  
my mind was screaming  
"you've got your whole life to do these things"  
but my legs were shaking  
my hands were searching  
for her in the backseat of my car  
i just lost it  
and i can't believe it

i knew i was only 16  
but i thought i loved her  
and it'd last forever  
only if i knew  
that she wasn't true  
how could she do this to me?  
my heart was racing  
my mind was screaming  
"you've got your whole life to do these things"  
but my legs were shaking  
my hands were searching  
for her in the backseat of my car  
I just lost it  
and i can't believe it  
[oohhh....]
