

Sianne Don't Work in a Factory

Normil Hawaiians

Oh Sianne!
I met your mother when she was young
Oh Sianne!
Sianne- Don't work in a factory Oh Sianne!
Listen and watch and feel
Listen to all words you hear
Watch carefully what you see
Feel everything that you touch
And let things touch you
Sianne- Don't fear your freedom Sianne
Sianne
Don't work in a factory, Sianne
Try hard to understand
Never judge
Sianne- I'll help you and set you free
Sianne- Don't work in a factory factory factory
