Wind

Akeboshi

Cultivate your hunger before you idealize
Motivate your anger, to make them all realizeClimbing the mountain, never coming down
Break into the contents, never falling down
My knee is still shaking like I was twelve
Sneakin out the classroom by the back door
A man railed at me twice, though
But I didnt care
Waiting is wasting, for people like me
chorus
Dont try to live so wise,
Dont cry cos youre so right
Dont dry, with fakes or fears
cos you will hate yourself in the end 2xyou say dreams are dreams
I aint gonna play the fool anymore
You say cos I still got my soulTake your time baby
Your blood nedds slowing down
Breach your soul to reach
Yourself before you gloomReflection of fear makes
Shadows of nothing
Shadows of nothingYou still are blind, if you see a winding road,
cos theres always a straight way to the point you seeDont try to live so wise,
Dont cry cos youre so right
Dont dry, with fakes or fears
cos you will hate yourself in the end 2xcos you will hate yourself in the end 4x
