

# Screamer

## Screamer

Communication is a lot like the wind  
When I speak it's like no one understands  
And I'm left with empty hands forever, I can't speak  
So many things I'll never learn  
You can't cross bridges that your burn  
Why is life such an issue in your mind?  
Why are the answers to my problems hard to find?  
So hard to find!  
So hard to find!  
Don't forget to buckle when you fall  
Beneath the pressure of the seconds  
When your life became a screamer  
Staring at the sea, things become so small  
I want movies of my dreams and pictures on my wall  
Pictures on my wall  
Why is life such an issue in your mind?  
Why are the answers to my problems hard to find?  
So hard to find!  
So hard to find!  
You say that I'm a dreamer

I say you're a non-believer  
Take out the light  
Take out the light, start screamin'  
I'm dreaming, I'm a dreamer  
No one believes me  
And you don't either  
Don't tell me what to do  
Take out the light  
Take out the light  
Take out the light  
Take out the light, start screamin'  
Take out the light  
Take out the light  
Take out the light  
Take out the light, start screamin'  
Take out the light, start screamin'  
Take out the light, start screamin'  
Take out the light, start screamin'

Yeah
