

Yes, I Believe In God

Rebecca St. James

Whatever the cost
From this day on, until forever
I will take the narrow road for I am not alone
I do not walk this road alone Yes, I believe in God, this I will say to You
Mean it death or mean it life, oh, I believe in God
For I have found the way, and I am not ashamed
I have found the way So through the fire, I'll be refined
And if that fire were to take this life
I'll be with Him forever
I will be with Him forever Yes, I believe in God, this I will say to You
Mean it death or mean it life, oh, I believe in God
For I have found the way, and I am not ashamed
I have found the way, and I am not ashamed You said
"If any man comes after Me
He must deny himself, take up his cross
And follow after Me" So here I come after You
Knowing when my life I lose
You give Yours in return
You give Your new life in return Yes, I believe in God, this I will say to You
Mean it death or mean it life, oh, I believe in God
For I have found the way, and I am not ashamed I believe in God, this I will say to You
Mean it death or mean it life, oh, I believe in God
For I have found the way, and I am not ashamed I believe in God, this I will say to You
Mean it death or mean it life, oh, I believe in God
For I have found the way, and I am not ashamed
