

Burning Up

Nick Carter

I'm burnin' up
You
You are the game that I wanna play
And I
I just wanna know your name
The way you dance, dance, dance on the floor
While everybody drinks, drinks, drinks, drinks some more
It got me thinkin' damn
I wanna take you back home with me This club is so high
And you light it up it's ready to blow
Hands up, don't stop
If you're sexy then get out of control Get get fired up, lets get fired up [repeat] I'm burnin' up and up
I'm burnin' up and up
I'm burnin' up and up
All you sexy people burn it up [Rap]
You not tryin' to sweat cuz you have worn a nice dress
Do you think, do you think your stylin'
Took a shot now she is whylin'
Haha reversin', poppin', drop it, drop it, stock markin'
She wet and I'm coast guardin'
I let my boy Nick tell em wh-wh whats poppin' The way you shake, shake, shake, shake that ass
It makes me wanna cum, cum, cum very fast
You got me thinkin' damn
I wanna take you back home with me This club is so high
And you light it up it's ready to blow
Hands up, don't stop
If you're sexy then get out of control Lets get fired up, get get fired up [repeat] Lets go! I'm burnin' up and up
I'm burnin' up and up
I'm burnin' up and up
So all you sexy people burn it up [Rap]
So everybody that is hot
Just cool off here and just take a shot
Put your cup in the air
And say you don't care
I don't care
Yo I don't care
Put your cup in the air and say you don't care
I don't care, I don't care
Put your cup in the air and say you don't care

'Cause it's burnin' up in here I'm burnin' up and up
I'm burnin' up and up
I'm burnin' up and up
So all you sexy people burn it up
