

Who Wrote Holden Caulfield?

Green Day

A thought burst in my head and I need to tell you
It's news that I for thought
Was it just a dream that happened long ago?
I think I just forgot Well it hasn't been the first time
And it sure does drive me mad That's when I say
There's a boy who fogs his world and now he's getting lazy
There's no motivation and frustration makes him crazy
He makes a plan to take a stand but always ends up sitting
Someone help him up or he's gonna end up quitting I shuffle through my mind to see if I can find
The words I left behind
Was it just a dream that happened long ago?
Oh well, never mind Well it hasn't been the first time
And it sure does drive me mad And when I say
There's a boy who fogs his world and now he's getting lazy
There's no motivation and frustration makes him crazy
He makes a plan to take a stand but always ends up sitting
Someone help him up or he's gonna end up quitting When I say
There's a boy who fogs his world and now he's getting lazy
There's no motivation and frustration makes him crazy
He makes a plan to take a stand but always ends up sitting
Someone help him up or he's gonna end up quitting There's a boy who fogs his world and now he's getting lazy
There's no motivation and frustration makes him crazy
He makes a plan to take a stand but always ends up sitting
Someone help him up or he's gonna end up quitting
