

This Could Be Something (feat. Medina)

Anton Ewald

Anton:

Let the tip of my fingers
Run down your body like a rose petal fallin off
Softly asks you more lingers
I can hear your love in every touch
you want it all Medina:
I don't know you but i'm so attached
I'm 'fraid of fallin'
Yes i'm fallin and i'm fallin' fast
Let this moment be just let it last
I could do this with you forever This could be nothin' (All I want is you)
This could be something'
Ooooh ooooh
Just tonight baby (All I want is you)
Somethin' just maybe
Ooooh ooohoh ooo oh oh ooh ooh ooo
oh ooo oh oh ooh ooh ooo
oh ooo oh oh ooh ooh ooo
This could be somethin'
ooo ooo Leave you clothes off and lay here
Let me watch your naked body up against mine
Softly as your whispers linger
In this silent room
I see the screamin' in your eyes I don't no you but I'm so attached
I'm 'fraid of fallin'
Yes I'm fallin'
And I'm fallin' fast
Let this moment be just let it last
I could do this with you forever This could be nothin' (All I want is you)
This could be something'
Ooooh ooooh
Just tonight baby (All I want is you)
Somethin' just maybe
Ooooh ooohoh ooo oh oh ooh ooh ooo
oh ooo oh oh ooh ooh ooo
oh ooo oh oh ooh ooh ooo
This could be somethin'
ooo ooo Baby let me touch you (Baby let me touch you)
Baby let me hold you (Baby let me hold you)

Baby let me love you (Baby let me ff you)
Oooh oooThis could be nothin' (All I want is you) (All I want is you)
Just tonight baby (All I want is you)This could be nothin' (All I want is you)
This could be something'
Ooooh oooh
Just tonight baby (All I want is you)
Somethin' just maybe
Ooooh ooohoh ooo oh oh ooh ooh ooo
oh ooo oh oh ooh ooh ooo
oh ooo oh oh ooh ooh ooo (All I want is you)
This could be somethin'

Just tonight baby (All I want is you)
