Adoration

Matt Maher

I'm here with the others Who saw the Heavens testify Now I hang back in the shadows I wanna come close, I wanna know She sees me shiverin' here She smiles and with a nod I walk through the mud and straw To the newborn son of God Come, let us adore Him He has come down to this barren land Where we live And all I have to give Him is adoration He raises a wrinkled hand With the dust and the flies Wrapped in rags like we are And with barely open eyes He takes my finger And He won't let go and He won't let go It's nothin' like I knew before And it's all I need to know Come, let us adore Him He has come down to this barren land Where we live And all I have to give Him is adoration Come, let us adore Him He has come down to the world we live in And all I have to give Him is adoration

God is with us here
Our Emmanuel
God is with us here
Our Emmanuel
Oh come let us adore Him
Oh come let us adore Him
Jesus, our Emmanuel
Is with us here and He won't let go
Oh come let us adore Him
Oh come let us adore Him
He has come down to the world we live in

And all I have to give Him is adoration
Oh come let us adore Him
Come let us adore Him
He has come down to the world we live in
And all I have to give Him is adoration
Oh come let us adore Him
Come let us adore Him
He has come down to the world we live in
And all I have to give Him is adoration
Come let us adore Him
Come let us adore Him
Come let us adore Him
