

# She Watch Channel Zero

## Public Enemy

Flavor Flav:] You're blind baby you're blind from the facts on who you are  
'cause you're watchin' that garbage. The woman makes the men all pause

And if you got a woman  
She might make you forget yours  
There's a 5 letter word  
To describe her character  
But her brains being washed by an actor  
And every real man that tries to approach  
Come the closer he comes  
He gets dissed like a roach[REFRAIN:]

I don't think I can handle  
She goes channel to channel  
Cold lookin' for that hero  
She watch channel zero

CHORUS:

She watch, She watch [4x]

[Flavor Flav:] Yo baby, you got to cut that garbage off. Yo! I wanna watch  
the game. {Where's your doin'} Hey yo, lemme tell you a little som'in: I'm  
'a take all your soaps, an' then I'm gonna hang 'em on a rope. You know what  
I'm sayin'? 'Cause that garbage your watchin' don't make no sense. Hey yo,  
lemme tell you a little som'in baby: I'm 'a take your set an' I'm 'a throw it  
out the window. G's. 2, 7, 5, 4, 8 she watched she said

All added up to zero  
And nothing in her head  
She turns and turns  
And she hopes the soaps  
Are for real - she learns  
That it ain't true, nope  
But she won't survive  
And rather die in a lie

Falls a fool - for some dude - on a tube

[REFRAIN, CHORUS][Flavor Flav:] Yo baby, you think I'm jokin'? Do it look like I'm jokin'? I  
ain't jokin', word up, baby. Yo, cut that garbage off now. Yo, I got the  
Tyson fight on, you know what I'm sayin'? Yo, so you can't be comin' in here  
stackin' {aid} like that, you know what I'm sayin'? Yo, we gettin' ready to  
watch the Super Bowl, we got a black quarterback so step back. Trouble vision for a sister  
'Cause I know she don't know, I quote  
Her brains retrained  
By a 24 inch remote

Revolution a solution  
For all of our children  
But her children  
Don't mean as much as the show, I mean  
Watch her worship the screen, and fiend  
For a TV ad  
And it just makes me mad[REFRAIN, CHORUS][Flavor Flav:] Yo baby, can't you that's nonsense you  
watchin'? Look, don't  
nobody look like that, nobody even live that, you know what I'm sayin'? You  
watchin' garbage, not'in' but garbage. Straight up garbage. Yo, why don't  
you just back up from the TV, read a book or som'in. Read about yourself,  
learn your culture, you know what I'm sayin?
