No Divide

Sticky Fingers

But I know it's okay
I left your house, embrace
Please me on the win
Under your side I swim
'Cause I know there's no divideOpen up what's on your mind
I am possessed as you are alive
Don't lead me on a whim
Without your heart I'm dim
'Cause I know there's no divideWhen we're reckless
Our hands are only free when they're roped in a tide
Hold my silence, peace of mind
When we're reckless
Our hands are only free when they're roped in a tide
Hold me tightly
No divideBreak my head I'm not so easy my friend
I'm not your burden deep down inside
And sometimes you, you push me to the edge
But you're the only one who triesBut I know it's okay
I never meant to to lead you astray
Let's tee it up again
I can pull you on my heart strings
'Cause I know there's no divideWhen we're reckless
Our hands are only free when they're roped in a tide
Hold my silence, peace of mind
When we're reckless
Our hands are only free when they're roped in a tide
Hold me tightly
No divide
