Fallin' Faster

Burn Halo

I've never said these words before
You're the one that I adore
My angel in disguise
Heaven sent you here to me
I know that baby we could be something perfect
Believe me
This could be our chance
Believe me
Cause its you I want and it's you I've gotta have
Please let me keep on falling
I'm falling faster everyday for you
Please let me keep on falling
Cause I know you'll catch me when I do
I need someone
Someone to hold on to
And if I'm gonna fall in love
I wanna fall in love with you
I'll love you till the end of time
So run away with me tonight
I'll give you everything
Heaven sent you here to me
I know that baby we will be something perfect

Believe me
This could be our chance
Believe me
Cause it's you I want and it's you I've gotta have
Please let me keep on falling
I'm falling faster everyday for you
Please let me keep on falling
Cause I know you'll catch me when I do
I need someone
Someone to hold on to
And if I'm gonna fall in love
I wanna fall in love with you
I'm falling faster now
I really need to know
Can you please show me what it's like to be in love?
Please let me keep on falling

I'm falling faster everyday for you
Please let me keep on falling
Cause I know you'll catch me when I do
I need someone
Someone to hold on to
And if I'm gonna fall in love
And if I'm gonna fall in love
Then its got to be with you.
