Darling

John C. Reilly

Darling, I'm in love with you
And I'll be one with you, one dayOh, my darling, what a surprise
I get a phony feeling when I look in your eyes
Darling, please come here, let me bend your ear
I want to tell you things just between you and I
I know that you can feel it girl, you cannot deny
I feel it in my soul, let the truth be toldDarling, darling, darling, darling
I'm in love with you
And I'll be one with you, one dayOh, my darling, I don't know why
Flowers bloom when we walk on by
The world just seems much better
Whenever we're together
Darling, darling, darling, darling
I'm in love with you
And I'll be one with you, one dayYou walked out of a dream
With a face like peaches in cream, oh, yeah
When I look at you, you know what I mean
We better run 'cause we're making a scene
DarlingOh, my darling, you are the one
Whenever we're together we're having some fun
Every time you're near the world just disappearsDarling, darling, darling, darling
I'm in love with you
I'm having fun with you
I'm in love with you
I'm on the run with you
I'm in love with you
And I'll be one with you, one day
