

# If I Didn't Know Better

## The Civil Wars

If I didn't know better I'd hang my hat right there  
If I didn't know better I'd follow you up the stairs  
Stop saying those sweet things you know I like to hear  
The horns are blowing louder, the bailliff's drawing near  
Why do I keep drinking  
Wasting my time on you  
If I didn't know better  
But damnit  
I do  
There's a hole in what you're saying  
I can plainly see  
You've a lover that's waiting but baby you're right here with me  
Ooh  
You might as well be the devil  
Keeping me out past three  
When you're the one with that apple but baby you can't blame me  
Ooh Why don't you keep drinking  
Give me one night with you  
If I didn't know better  
But damnit  
I do  
Why do I keep drinking  
wasting my time on you  
If I didn't know better  
But damnit  
I do  
Oh  
Baby I do  
Baby you're right here with me  
Sweet daddy you know that I do
