

Cheap Thrills

Fake Shark

Everybody get up now
Hey
Cheap thrills and a casual romance,
How does it feel when you're off my grid,
Spin the wheel for a weekend kamikaze mission,
Just enough ambition that decisions are a way to relax
Wild hearts (Give us a way to relax)
And wild seas
And wild night
Have wild needs
Come on now
Everybody get up
And feel it now (Wow)
Cheap thrills, Cheap thrills
(I lost sense of track)
To the things that we do
(Then I want to relax)
In the night, in the night
(When we're not keeping track)
Cheap thrills, give me chills
(Just enough to relax)
Wow
Cheap thrills and a casual romance,
How does it feel when you're off my grid,
Wild hearts (Give us a way to relax)
And wild seas
And wild night
Have wild needs
Come on now
Everybody get up
And feel it now (Wow)
Come on now
Everybody get up
Come on now
Wow
Cheap thrills, Cheap thrills
(I lost sense of track)
To the things that we do
(Then I want to relax)

In the night, in the night
(When we're not keeping track)
Cheap thrills, give me chills
(Just enough to relax)
Wow
Cheap thrills, Cheap thrills
(I lost sense of track)
To the things that we do
(Then I want to relax)
In the night, in the night
(When we're not keeping track)
Cheap thrills, give me chills
(Just enough to relax)
Cheap thrills
give me, give me chills
Cheap thrills
give me chills, give me chills
Cheap thrills
give me, give me chills
Cheap thrills
give me chills, give me chills
