Linkin Verbz

Reggie and the Full Effect

Hello Americans, this is Klaus from Common Denominator
That is the band you are listening to right now, we are from Finland
This is the second song on our debut album here in America
The song is about the words that connect subjects to the predicatesHelp you form in complete sentences your helping verbs, AKA linking verbs
Linking verbs are as such you should go buy the record
This is the best song on the record, you should go buy a T-Shirt
I would go buy a T-ShirtLinking verbs is a word for everybody, do the same
Help us out, me would go buy a shirt
Is a word for everybody, do the same
Help us out, me would go buy a shirtIs, are, was, were, have, being, been
Do, does, did, have, has, had, they, might, would
Can, could, will, would, shall have, should
(Go buy a T-Shirt)
And being these are your linking verbs
(Linking verbs, linking verbs)Thank you very much for having us in your country
We'll see you next year, goodnight
You could go buy a T-Shirt now
