At Christmas

Shelley Duvall

When Christmas bells ring out they say
We're celebrating Christmas
Christmas hearts all beat in rhyme
Peace on earth at Christmas

Footsteps and snowdrifts
Voices that uplift
Fires that glow in the dark
Warm smiles are showing
The fire is glowing
For Christmas still lives in our hearts

When Christmas bells ring out they say
We're celebrating Christmas
Christmas hearts all beat in rhyme
Peace on earth at Christmas

Once a year the ones we love
Gather round the tree
To reminisce, to hug and kiss
To be a family
We come from near and from afar
No matter where we roam
When Christmas comes, your heart returns
To the place that we call home

When Christmas bells ring out they say
We're celebrating Christmas
Christmas hearts all beat in rhyme
Peace on earth at Christmas
