

Melancholy Man

Aldous

I'm a melancholy man, thats what I am,
All the world surrounds me, and my feet are on the ground.
I'm a very lonely man, doing what I can,
All the world astounds me and I think I understand
That were going to keep growing, wait and see.

When all the stars are falling down
Into the sea and on the ground,
And angry voices carry on the wind,
A beam of light will fill your head
And youll remember whats been said
By all the good men this worlds ever known.
Another man is what youll see,
Who looks like you and looks like me,
And yet somehow he will not feel the same,
His life caught up in misery, he doesnt think like you and me,
cause he cant see what you and I can see.
