

Do It

Milk 'n Blues

Do it
Do it now 'cause you may not be here tomorrow
Make it
You know your life's just as good as you make it
Feel it
Feel the beat and the rythm that surrounds you
See it
You got what you need
Can't you see?

Things won't be the same
It's up to you to make a change
They don't know your name
So you don't have to be ashamed
Living is easy
Once you
Do it, make it, feel it, see it

Do it
Make it
Feel it
See it

Do it (Do it)
Make it (Make it)
Feel it (Feel it)
See it

Do it
Make it
Feel it
See it (Come on just, just, just blow the harmonica)

- Harmonica Solo -

Do it
Do it now 'cause you may not be here tomorrow
Make it
You know your life's just as good as you make it
Feel it

Feel the beat and the rythm that surrounds you

See it

You got what you need

Can't you see?

Uh, huh

Uh, huh

Uh, huh

Things won't be the same

It's up to you to make a change

They don't know your name

So you don't have to be ashamed

Livin' is easy

Once you

Do it, make it, feel it, see it

Do it

Make it

Feel it

See it

Do it (Do it)

Make it (Make it)

Feel it (Feel it)

See it

Do it

Make it

Feel it

See it
