

Time Flies

Beluga's Trio

Today is the day I'm gonna see you rise
Promise to keep you safe in life
I don't want to see you heartbroken
I just want to see you shine bright
I want to see you grow up fine 'Cause everything I do, I'll do for you
With all my heart
'Cause I'm in love with you, and I'm thinking of you
Day and night Time flies, time flies
When you're on the wings of love
Time flies, time flies
When you're on the wings of love When you're on the wings of love When you're on the wings of love
'Cause I'm in love with you, and we're floating through
'Cause you're in my life
Everything I do, I do it for you
With all my might And I don't want to see you heartbroken
I just want to see you shine bright
I want to see you grow up fine 'Cause everything I do, I'll do for you
With all my heart
'Cause I'm in love with you, and I'm thinking of you
Day and night Time flies, time flies
When you're on the wings of love
Time flies, time flies
When you're on the wings of love Of love Of love
Oh baby, time flies
Oh baby, time flies
Oh baby, time flies
When you're on the wings of love When you're on the wings of love
