

Jet Set

Alphaville

This is the time, now gimme the beat
Feel how the rhythm grips your feet
Kitty baby, take my hand
Shes like a devil, heaven sent Im in her arms and shes in mine
Maybe we make the film on time
Sitting in the 15th row
Oh baby, baby, I love you so We are the jet set society
We are the jet set
And that means liberty, liberty The jet set society
We are the jet set, set
We are the jet set, set society Were on the run, we know where to go
We got the tickets for the midnight show
These nights are burning out so fast
Hop on the beam, you wont be last The Russians seem to be that way
We love them like we love D. Kaye
We need no money, we got it free
We are the h-h-high society We are the jet set society
We are the jet set
And that means liberty, liberty The jet set society
We are the jet set, set
We are the jet set, set society Oh, we are the jet set, hop on the beam
We are the jet set, hop on the beam
Oh, we are the jet set, hop on the beam
We are the jet set, hop on the beam
Hop on the beam Shine on society, shine on liberty
Shine on luxury, shine on society Streets are full of love, fear
This could be the final year
Enricos dead but still okay
We dance the streets, feeling well If shes a liar, Im her lover
If shes a priestess, Im her cover
If shes a lady, Im her man
If shes a man, Ill do what I can We are the jet set society
We are the jet set
And that means liberty, liberty The jet set society
We are the jet set, set
The jet set, set society
