

# Night Fever (Future Funk Squad Remix) (Bonus)

## Bee Gees

Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it On the waves of the air  
There is dancin' out there  
If it's somethin' we can share  
We can steal it And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is right Then I get night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine Night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it In the heat of our love  
Don't need no help for us to make it  
Gimme just enough to take us to the mornin'  
I got fire in my mind  
I get higher in my walkin'  
And I'm glowin' in the dark  
I give you warnin' And that sweet city woman  
She moves through the night  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is right Then I get night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine Night fever, night fever  
We know how to do it

Gimme that night fever, night fever  
We know how to show it Gimme that night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it  
Gimme that night fever, night fever  
We know how to do it
