# Wheelchair Epidemic

## The Jesus Lizard

Hep hep, hep hep, hep hep, hep hep
Your words are broken, you got the flu, that tour of smokin' your times are through
Your body's achin,', you need a rest, your body's achin', take a rest I say
Ah ah, ah ah, ah ah, hey
Hep hep, hep hep, hep hep, hep hep
Hey everybody, you're all fucked up, have you been smoking pot, you're in a rut
Your body's achin', you need a rest, your body's achin', they got arrested say
Ah ah, ah ah, ah ah, hey
Hep hep, hep hep, hep hep, hep hep
Hep hep, hep hep, hep hep, hep hep
Your hands are too big, your clothes look plastic, are you stupid, or just a faggot
Your body's achin', you need a rest, your body's achin', they got arrested say
Ah ah, ah ah, ah ah, hey
Hep hep, hep hep, hep hep, hep hep
