

The Life And Times Of A Teenage Rock God

Rob Zombie

Well, I been driving all night
Devil by my side
I used to call him Jekyll
Now I call him Hyde
Teeth like granite
Fingers of gold
Are we getting ugly or are we getting old? Sugar, sugar, sugar, you look so mean
Honey, honey, honey, drinking gasoline I'm a teenage rock god
Teenage rock god
All the freaks come worship me
Teenage rock god
Teenage rock god
All the freaks are in love with me I'm gonna eat some speed
Hammer on the gas
Moody Lou and Killer gonna get some ass
Slide your top down
Crawl across the bed
"From Transylvania with love" is all she said Sugar, sugar, sugar, you look so mean
Honey, honey, honey, drinking gasoline I'm a teenage rock god
Teenage rock god
All the freaks come worship me
Teenage rock god
Teenage rock god
All the freaks are in love with me Alright, does everybody feel alright?
Can you hear the fuzz?
Can you feel the buzz?
Are you getting high?
Do you wanna die?
One, two, three I'm a teenage rock god
Teenage rock god
All the freaks come worship me
Teenage rock god
Teenage rock god
All the freaks are in love with me
