

# Night Before The Morning After

## Hudson Taylor

When I'm broke into your heart  
Ooh I'll throw away the key  
So tell me what you see, oh a lover of a thiefAnother night of destruction  
What have a done to hurt you?  
My body is not function in the way it's meant to  
Turn the light on, tell the truth  
Be a man before it gets too lateAnother morning, another day  
Last night fade away  
When she staring at me my heat forgets to keep the beat  
The night before the morning afterWhen I'm broke into your heart  
Ooh I'll throw away the key  
So tell me what you see, oh a lover of a thiefAnother sight of disillusion  
What did you see that hurt you?  
Turn the tale now, turn the page,  
Be a man before it gets too late  
Another morning, what can I say?  
Last night fade awayThe night before the morning after  
When I'm broke into your heart  
Oh I'll throw any key  
So tell me what you see, ooh a lover of a thiefAnd when I think about now,  
Oh I really let you down  
So tell me what you see, ooh a lover of a thiefOh you can read it in tomorrow's paper  
But it's read in here all over my face  
It hasn't happened yet  
There's a feeling I regret  
I'm guilty of the robbery about todayWhen I'm broke into your heart  
Oh I'll throw away the key  
So tell me what you see, oh a lover of a thiefAnd when I think about now,  
Oh I really let you down  
So tell me what you see, oh a lover of a thief  
So tell me what you see, oh a lover of a thief  
So tell me what you see, oh a lover of a thief
