

Inside a Dream

Jane Wiedlin

This is not an easy life
It's hard to hang on to hope
There's so many things that need to change
Well I wonder how we'll cope But I know where to go
Run away, run away [Chorus:]
And lose myself inside a dream
Opening up a secret door
I lose myself inside a dream
And find a world worth living for (living for) There is way too much to grasp
Am I losing hold
In a world full of many problems
I feel no control [Chorus:]
And lose myself inside a dream
Opening up a secret door
I lose myself inside a dream
And find a world worth living for (living for) [Chorus:]
And lose myself inside a dream
Opening up a secret door
I lose myself inside a dream
And find a world worth living for (living for) Only a dreamer
Can keep the dream alive
I'll work and pray and sweat and slave
Until the dream is realized [Chorus:]
And lose myself inside a dream
Opening up a secret door
I lose myself inside a dream
And find a world worth living for (living for) (Until Fade)
