Deathwish

L7

She wakes up wet in a shower stall
Sewn together, bangs her head on a wall
She goes hitchhiking at 3 a.m.
Bruised and bloody, does it over againShes got a deathwish
In a self destructive blitzHes got a car that goes real fast
Hes got a life but it wont last
Doesnt even look disturbed
When his Chevy takes out the curbHes got a deathwish
Coming home is a hit or a miss
Hes got a deathwish
In a self destructive blitzPassed out drunk on the living room floor
Gets up and pukes so she can drink some more
And evenings party out in the fringe
Turns into a two week bingeShes got a deathwish
Coming home is a hit or a miss
Shes got a deathwish
In a self destructive blitz
