## **Deathwish**

## **L7**

She wakes up wet in a shower stall Sewn together, bangs her head on a wall She goes hitchhiking at 3 a.m. Bruised and bloody, does it over againShes got a deathwish In a self destructive blitzHes got a car that goes real fast Hes got a life but it wont last Doesnt even look disturbed When his Chevy takes out the curbHes got a deathwish Coming home is a hit or a miss Hes got a deathwish In a self destructive blitzPassed out drunk on the living room floor Gets up and pukes so she can drink some more And evenings party out in the fringe Turns into a two week bingeShes got a deathwish Coming home is a hit or a miss Shes got a deathwish In a self destructive blitz
